

R.C. Temme Corporation  
**Addendum 1** to BRE 870 Investor Questionnaire

1. Other Investments Currently Held by the Investor. Please “X” the box next to the types of investments you hold. For each type of investment you hold, please circle the amount of risk you consider each type of investment to have, on average. Lastly, please indicate the percentage of your total investment portfolio that is comprised of each type of investment you hold. If you hold interests in mutual funds, breakdown the mutual fund investment into the types of investments in which the mutual fund is primarily invested for purposes of the table below. All of your investments listed should add up to 100%.

“X” if you hold this type	Type of Investment	Average Risk of each Investment Type (Please circle the amount of risk for each investment.)			Percentage of Portfolio
	Stocks	Low	Medium	High	
	Corporate Bonds	Low	Medium	High	
	Municipal Bonds	Low	Medium	High	
	Treasury Bonds	Low	Medium	High	
	Trust Deed / Mortgage Investments	Low	Medium	High	
	Real Estate	Low	Medium	High	
	Commodities	Low	Medium	High	
	Money Market	Low	Medium	High	
	Certificates of Deposit	Low	Medium	High	
	Annuities	Low	Medium	High	
	<b>Total</b>				100%

2. **IF YOU HAVE CHANGES** that you have made on the 2015 BRE Questionnaire form (different from your 2013 or 2014 form), we acknowledge that all the “blank” spaces we can refer to from your 2013 or 2014 BRE form RE 870. **Please sign and date the 2015 form.**
3. **TO CONFIRM YOUR NET WORTH**, please write in your actual estimated net worth, with the same exclusions found on the BRE Questionnaire. Because the questionnaire has a very broad spectrum of choices, your additional clarification will assist us in maintaining sales that are less than 10% of your net worth for any one loan purchase, as required by law.

Actual Estimated Net Worth: \$ \_\_\_\_\_

4. I authorize and instruct R.C. Temme Corporation to use my submitted BRE Investor Questionnaire(s) for all my accounts/entities named in the Investor section of that form. I understand each entity listed may have different investment objectives and I have the different objectives on the form, if applicable.
